NATIONAL ASTRONOMY WEEK CELEBRATION OF THE UNIVERSITY
OF THE PHILIPPINES ASTRONOMICAL SOCIETY (UP AstroSoc)

The University of the Philippines Philippine Astronomical Society (UP AstroSoc) will celebrate the *National Astronomy Week* on the third week of February at the UP, Diliman, Quezon City.

The Celebration aims to:

1. promote and enable the participants to understand the Astronomy through the conduct of activities/events; and
2. uphold their commitment towards awareness and achievement of scientific study by organizing projects and activities.

This event includes the following activities:

1. Big Bang Astronomy Quiz Show is a quiz show for high school students which will incorporate questions related to astronomy;
2. Take Off A Rocket Launching is a water rocket launching competition also for high school students; and
3. Parallax: A Teachers' Workshop is a teachers' workshop for high school teachers consisting of lectures on teaching astronomy to students will be held on *February 20, 2016*.

The target participants are learners and teachers from both public and private secondary schools.

Participation of both public and private schools shall be subject to the *no-disruption-of-classes policy* stipulated in DepEd Order No. 9, s. 2005 entitled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*.
