INTERNATIONAL ELECTRONICS CONFERENCE AND EXPOSITION PHILIPPINES

The Institute of Electronics Engineers of the Philippines, (IECEP) Inc. will hold the International Electronics Conference and Exposition Philippines at the SMX Convention Center, SM Mall of Asia, Pasay City on November 3-5, 2011.

The conference aims to:

1. promote to the participants the excellence in the field of electronics;
2. update the Professional Electronics Engineers (PECEs), Electronics and Communications Engineers (ECEs) and Electronics Technicians (ECTs) with the most recent Electronics and Communications Engineering (ECE) trends;
3. build networks and partnerships among organizations where PECEs have provided their expertise; and
4. provide the ECEs with skills, stoke their interest in innovation, and share their experiences.

The topics to be discussed during the conference include Broadcast and Communications, Security and Defense, Semiconductor and Electronics Computing, Bio-medics, Constructions, Electronics Solutions in Power and Energy, Information Technology Computing, and Green Technology.

The PECEs, ECEs, and ECTs in the central and regional offices are invited to attend to this international event. This will serve as an opportune time for them to augment their mastership of the profession. The participants will earn credits for their Continuing Professional Education (CPE) as stipulated in Republic Act No. 9292.

For more information, contact **Mr. Ornan S. Vicente**, IECEP National President and Chairman of the Board, at telephone no.: (632) 687-7189; telefax no.: (632) 687-1676; or send a message through e-mail address: iecepsecretariat@yahoo.com or visit its website at www.iecep.ph
