The Disaster Risk Reduction and Management Service

The Disaster Risk Reduction and Management Service (DRRMS) is the Department of Education's focal and coordination unit for Disaster Risk Reduction and Management, Climate Change Adaptation, and Education in Emergencies.

In recognition of the various disaster risks arising from natural and human-induced hazards, through Department Order (DO) no. 50 series of 2011, DepEd created the Disaster Risk Reduction and Management Office, in line with the Philippine Disaster Risk Reduction Management Act of 2010 (Republic Act 10121). The office was elevated into a Service in 2015.

The DRRMS, as stipulated in its Charter, is tasked to:

- 1. Empower the DepEd personnel, offices, schools and learners in ensuring safety and learning continuity;
- 2.Institutionalize Disaster Risk Reduction and Management (DRRM), Climate Change Adaptation (CCA), and Education in Emergencies (EiE); and
- 3. Strengthen the resilience of basic education in the context of natural and human-induced hazards.

In accordance with its mandate, the DRRMS has set its goals and outcomes to address the risks and impacts of natural and human-induced hazards confronting the basic education sector.

MESSAGE

NENNETH ESPLANA-ALAMA

Director IV, DRRMS

DID YOU KNOW?

According to a World Bank study, 78% of public schools and 96% of learners in the Philippines are exposed to multiple hazards, making them highly vulnerable to disasters.

In response, the Department of Education's Operations Strand, led by Undersecretary for Operations, Atty. Revsee A. Escobedo, through the Disaster Risk Reduction and Management Service (DRRMS), continues to strengthen efforts to build resilience and ensure the safety of learners and schools across the country. Through various DRRM initiatives, DepEd aims to create safer learning environments and promote preparedness in every school.

HOW WAS	THIS MONTH?

Building on the need to address the vulnerability of public schools and learners, the DRRMS, led by Director Nenneth Esplana-Alama, continues to spearhead innovative programs, projects, and activities to protect learners, teachers, and DepEd personnel during disasters. These initiatives are designed to be both responsive and proactive, fostering resilience, promoting preparedness, and ensuring that schools remain safe spaces for learning, even in the face of adversity.

HOW WA	AS THIS MONTH?

Since the Philippines frequently experiences typhoons and earthquakes, which cause damage to both infrastructure and non-infrastructure in schools, the DepEd, through the DRRMS, manages the Disaster Preparedness and Response Program (DPRP) Fund. This fund is distributed by the DRRMS to DepEd field offices for the implementation of preparedness measures such as capacity building for teachers and learners on how to prepare for and respond to disasters, developing school disaster preparedness plans, and others. Moreover, it is used for response efforts, including the construction of temporary learning spaces, clean-up operations, and minor repairs, among others.

HOW WAS	THIS MONTH?

The DRRMS recognizes the significant impact of disasters and other traumatic incidents on learners, teachers, and other DepEd personnel. In partnership with MAGIS Creative Spaces, the Psychosocial Support Activity Pack (PSAP) was developed to promote and protect the socio-emotional well-being of those affected by disasters and emergencies. The PSAP serves as a guide for facilitators to help learners and teachers recover from emotional impacts, ensuring their mental health and resilience.
