Queries	Responses
Is the release of Science, Mathematics Equipment and various LR's simultaneous with the Notice to Proceed, given that the contract becomes effective forty-five calendar days after receipt of the Notice to Proceed?	Yes, the stage covering implementation of procurement contracts starts with the issuance of the Notice to Proceed (NTP) to the supplier.
Do you also have an established hauling plan for both projects that we will follow/use within the given delivery timeframe?	Hauling Plan shall be both established by DepEd and the winning bidder prior to the issuance of the Notice to Proceed.
What specific details are required in the third column labeled "Bidder's Actual Offer"?	<p>The "Bidder's Actual Offer" should be at least what is indicated in the Technical Specifications/Terms of Reference and must be marked as "Complied".</p> <p>The prospective bidder can copy the exact statement provided in the Technical Specifications/Terms of Reference and must indicate compliance. However, the prospective bidder may alter the declaration of preference if it can provide a significantly better service as long as the minimum requirements are met.</p>
For loading and un-loading, will our counting be based on per mother box count?	The winning bidder shall be given a delivery document that specifies the number of boxes to be hauled and delivered.
Is it safe to assume that the fragile items are securely packed prior to pick-up?	Boxes were securely packed prior to hauling.
Any additional packaging requirements needed from the hauler? Kindly specify.	No additional packaging is required from the winning service provider.

List of vehicles to be used/Plate Numbers/Name of Driver/Helper, will you also require submission of hard copy of OR/CR of all the trucks that will be declared during bid submission?	All submitted or declared documents during the Bid Opening shall be validated during the Post-Qualification, which requires the presentation of the original and hard copy.
For costing purposes, could we request an excel file of said form?	Please refer to the attached Allocation List (Spreadsheet Form – Softcopy)
Where should we base the quantities? On the estimated volume in CBM or on the estimated weight in Kilograms?	The quantities specified in Column 4 of the Price Schedule Form shall be based on the estimated volume in CBM.
