For international brands

Spec	Value
International standards certifications	Aside from the common standards referred to above, international products offered must be: <ul style="list-style-type: none"> <li>• Certified by CE (Conformité Européenne)</li> <li>• Certified by FCC (Federal Communications Commission)</li> <li>• Energy Star-certified</li> </ul>
Global proven quality	Bidders must submit supporting documents <u>from the brand manufacturer</u> to validate that the brand (a) has existed for at least (3) years; and (b) maintains physical offices, service centers, or distribution hubs in at least five (5) countries other than the Philippines, with at least one (1) country from North America, one (1) country from Western Europe, and one (1) country from Asia-Pacific.
International warranty	Bidders must submit supporting documents <u>from the brand manufacturer</u> to validate that the brand maintains service centers from the locations previously specified (i.e. global quality) that exist for the purpose of facilitating warranty claims and technical assistance.

For Philippine-based brands

Spec	Value
Local standards certifications	Aside from the common standards referred to above, local brands must include: <ul style="list-style-type: none"> <li>• Philippine Standard (PS) License</li> <li>• Philippine Standard (PS) Mark</li> <li>• SEC registration of the brand manufacturer</li> <li>• IPO trademark registration</li> <li>• NTC Certificate of the offered product brand and model</li> <li>• New Philippine Energy Label certificate or equivalent</li> </ul>
Local proven quality	Bidders must submit supporting documents <u>from the brand manufacturer</u> to validate that the brand (a) has existed for at least (3) years; and (b) maintains physical offices, service centers, or distribution hubs in at least six (6) provinces in the country, with at least one (1) province from Luzon, one (1) province from Visayas, and one (1) province from Mindanao.
Local warranty	Bidders must submit supporting documents <u>from the brand manufacturer</u> to validate that the brand maintains service centers from the locations previously specified (i.e. local quality) that exist for the purpose of facilitating warranty claims and technical assistance.
Demonstrable parity with international brands	Bidders must submit supporting documents <u>from the brand manufacturer</u> to demonstrate that such local brand is substantively at par with at least one international brand, as characterized in the categorization above, in terms of (1) print quality; (2) general aesthetic design; and (3) compliance with internet printing protocol.

On service centers

The bidder must have at least two (2) authorized service centers in different provinces per region they are bidding for. In the case of bid join for National Capital Region (NCR), the bidder must submit at least two (2) authorized service centers in two (2) different cities. Bidder shall provide the following:

1. List of authorized service centers;
2. Signed notarized contract agreement between the bidder and authorized service partner;
3. A valid and current Business permit of the service centers;
4. Authorized Service Centers contact details.

On hardware

Spec	Value
Certifications	Product offered must either be: <ul style="list-style-type: none"> <li>• Certified by CE (Conformité Européenne); or</li> <li>• Certified by FCC (Federal Communications Commission)</li> </ul>
Features	<ul style="list-style-type: none"> <li>• At least one line LCD display</li> <li>• User Friendly Control Buttons</li> <li>• It should be possible to make at least 99 copies via the printer panel / control buttons</li> <li>• Intuitive Indicators</li> </ul>
Power	AC 100-240 V @ 50-60 Hz
Type	All-In-One (Print, Copy, Scan) CMYK Inkjet Printer
Copy / Scan Method	Flatbed
Copy Settings	Should be able to make at least 99 copies in a single process
Print Resolution	At least 1200 x 4800 dpi
Copy Resolution	At least 600 x 600 dpi
Scan Resolution	At least 600 x 1200 dpi
Flatbed Paper Size	Can accommodate, as bare minimum: A4
Number of Input Trays	Minimum 1
Input Tray Capacity	Can accommodate A4/64 gsm at least 100 sheets
