WORLD INNOVATIVE SCIENCE PROJECT OLYMPIAD 2023

The Indonesia Scientific Society (ISS), a non-profit organization with the main mission of advancing the world of science and education in Indonesia, will conduct the World Innovative Science Project Olympiad (WISPO) 2023 on December 14 and 17, 2023 in Bandung City, West Java, Indonesia.

The program aims to provide an opportunity for students from local and international education institutions to compete and exhibit their innovative ideas on science.

The target participants are learners from public and private schools nationwide.

Participation of learners and teachers from public and private schools shall be purely voluntary and will not hamper instructional time in compliance with the provisions of DepEd Order (DO) No. 022, s. 2023 titled Implementing Guidelines on the School Calendar and Activities for the School Year 2023–2024 and DO 9, s. 2005 titled Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith and the policy on off-campus activities stated in DO 66, s. 2017.
