Teacher Effectiveness and Competencies Enhancement Project (TEACEP)

Project Management Service

TERMS OF REFERENCE

Procurement Specialist

I. PROJECT BACKGROUND

The Department of Education (DepEd), together with World Bank, developed the Teacher Effectiveness and Competencies Enhancement Project (TEACEP) with loan financing of USD 110 million comprised of USD70 million allocation for Performance-Based Conditions (PBCs), and USD40 million allocation for Investment Project Financing (IPF) which is implemented from Fiscal Year (FY) 2023-2028. TEACEP is designed to support the government's priority education reforms, focusing on enhancing teaching quality for literacy, numeracy, and socioemotional skills for kindergarten to grade 6, and ultimately to improve reading and math learning outcomes among elementary students in selected regions in Mindanao. Moreover, the identified Project Development Objective (PDO) is to improve the quality of and equitable access to teaching in Kindergarten to Grade 6 (K-6) in project-supported areas, namely Region IX, Region XII, and Bangsamoro Autonomous Region of Muslim Mindanao (BARMM).

TEACEP is composed of three (3) components to achieve its aforementioned objectives:

1)Component 1 – Supporting teachers and school leaders in improving teaching practices;

2) Component 2 - Providing adequate materials for effective teaching and learning; and

3) Component 3 - Project management, monitoring and evaluation.

To further achieve the project objectives, it is necessary to secure various deliverables for the TEACEP, including goods, non-consulting services, and consulting services through procurement processes. As stipulated in the project's loan agreement, all procurement of goods, non-consulting services, and consulting services funded under the loan whether as part of the Performance Based Conditions (PBC) component or the expenditure-based component pertaining to the Investment Project Financing (IPF) must adhere to the WB's Procurement Guidelines for Implementing Agency. In particular, the procurement of a Procurement Specialist to provide consulting / technical expertise on the implementation of procurement activities of the project will be procured using the said guidelines.

Relatedly, to improve project management, monitoring, and pa of activities and milestones, the Project Management Service (PMS) will collaborate with the Project Implementation Units (PIUs) within DepEd Central Office, Regions IX and

XII Offices, and the Ministry of Basic, Higher and Technical Education (MBHTE). A PMO will be established comprising of technical staff to be deployed at the central office and project-supported regions which will work closely with the PMS establishing a Project Integration Coordination Office (PICO). The PICO will generally support coordination among the Project Steering Committee (PSC), Project Management Committee (PMC), and Technical Working Groups (TWGs), providing guidance on outputs and schedules. Further, the PICO and concerned PIUs will work directly with the consultancy firm to be hired in carrying out the implementation of the project.
